

ICE 2018

Home Page: coming soon

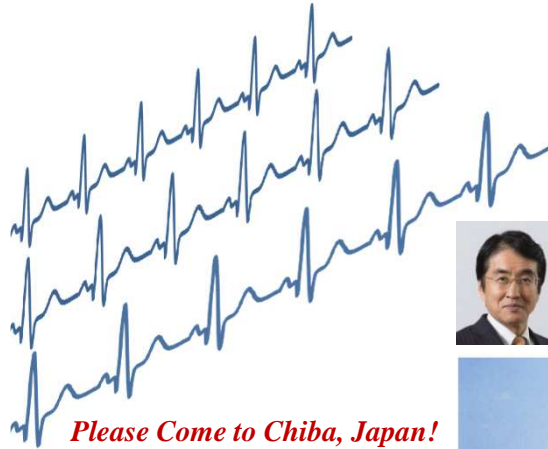

The 2018 International Congress on Electrocardiology (ICE 2018)
Organized by the **International Society of Electrocardiology (ISE)** and
the **International Society for Holter and Noninvasive Electrocardiology (ISHNE)**
in conjunction with
the **38th Congress of the Japanese Society for Holter and Noninvasive Electrocardiology (JASHNE)**
and the **33rd Congress of the Japanese Society for Computerized Electrocardiology (JSCE)**

June 28 (Thr) AM – June 30 (Sat) AM
Makuhari Messe, Chiba-City, Japan

Takanori IKEDA, MD, PhD
President of the Joint Congress
Professor of Medicine
Toho University Faculty of Medicine / Medical Center

Please Come to Chiba, Japan!

Congress Venue:

Makuhari Messe – International Conference Hall
2-1, Nakase, Mihama-ku, Chiba-city, 261-8550, Japan
https://www.m-messe.co.jp/sp/access_en

Scientific Session Secretariat: Drs. Fujino T, MD and Kinoshita T, MD, Toho University Faculty of Medicine / Medical Center

MAIN TOPICS : ICE 2018

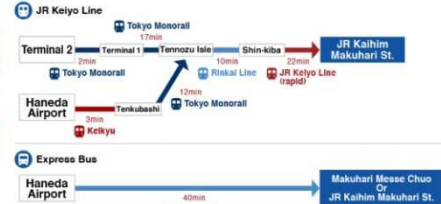

- Antithrombotic therapy in management of atrial fibrillation
- Arrhythmias in athletes and children
- Biomarkers in arrhythmogenic cardiac diseases
- Brugada syndrome, long QT syndrome, and early repolarization syndrome
- Catheter ablation and noninvasive electrocardiology
- Clinical electrophysiology and novel mapping analyses
- Experimental basic science and Interpretation of ECG
- Evaluation of autonomic nervous system
- Interpretation of surface ECG in ACS
- Interesting ECG case reports
- Management of adult structural heart disease
- Noninvasive markers and triggers of SCD
- Normal variants of ECG
- New technologies of catheter ablation
- New antiarrhythmic agents
- Pharmacological management of atrial fibrillation
- Real-world evidence using DOACs (NOACs) in nonvalvular atrial fibrillation
- Risk stratification indices using 24-h Holter ECG
- Risk assessment for SCD
- Simulation and modeling basic science
- Sleep apnea and arrhythmias
- Technical advances in surface ECG and tele-electrocardiography
- Oral and poster abstract presentation
- Young Investigators award competition

Access to the Congress Venue by Public Transportation:

From Tokyo-Narita Airport

From Tokyo-Haneda Airport

✓ The most recommended public transportation
